

Calling Attention Notice given by Dr. Bashir Ahmad Veeri, Hon'ble MLC:

"To call the attention of the government towards a matter of urgent public importance namely the situation that has arisen due to non availability of pure drinking water to the population of Sirhama, Waghama, Wopzan, Mushama, Balyar, Dadoo Gujrat, Gujar areas of Khiram, Durpora due to delay in commissioning of different water supply schemes meant for these areas. Why alternate arrangements are not being made for them"

Reply:-

The population of Sirhama is presently being provided drinking water Supply by virtue of a closed Scheme with spring as source. However, to augment the supplies and to increase the service level, work on another new Scheme which is a lift Scheme with an estimated Cost of Rs. 198.00 lacs is in progress. The components like bore well, Service Reservoir, supply main and rising main have been completed and work on other components of Sub-main/distribution system is in progress. The expenditure incurred on the Scheme ending 02/2015 is Rs. 46.13 lacs

The population of Waghama is presently being provided drinking water facilities by virtue of an old Scheme with spring as source. However, to increase the Service level of beneficiaries and to cover the Kanawa area Waghama Village, water supply Scheme Kerwa Waghama, the work on the Scheme is going on. The Cost of the Scheme is 497.00 lacs and Rs. 25.40 lacs have been incurred upto ending 02/2015. Rs. 10.00 lacs have been released for the said scheme during 2014-15

Population of Wapzon/Kandipora Villages is presently being provided drinking water supply by virtue of lift Scheme. To increase the service level, another Scheme namely Water Supply Scheme Wapzon which is gravity Scheme with an estimated Cost of Rs. 350.00 lacs has recently being commissioned.

The population of Mushhama is presently being supplied drinking water partly by virtue of old closed lift Scheme and partly by virtue of spring source. The population of Ballyar is being supplied drinking water by virtue of a local spring. To cover the extended areas of Mushama and Balyar Villages and to augment the supplies already covered areas of both the Villages and the work on Water Supply Scheme Balyar is under process with an estimated cost of Rs. 930.00 lacs. The expenditure incurred on the Scheme ending 02/2015 is Rs. 50.16 lacs and Rs. 17.84 lacs have been released for the said Scheme during 2014-15.

The areas of Dadoo Gujrat is presently being provided Water Supply facilities by means of Tanker Service. However, lift Scheme for Dadoo (GB) has been incorporated in District Plan during 2014-15 with an estimated Cost of Rs. 90.00 lacs.

Gujjer areas of Khiram which include Pannand, Kachnard etc are presently being provided water supply by virtue of spring source in those areas.

Durpora comes under the scope of Regional Water Supply Scheme Khiram and is also being augmented by local springs namely Nilnag & Dachposhand and is getting adequate supply.
