

Government of Jammu and Kashmir
Animal /Sheep Husbandry Department
Civil Secretariat Jammu/Srinagar.

Regarding: Fish Ponds.

**Un-Starred C.Q. No: 295 tabled by Sh. Sham LalBhagat: Hon'ble MLC:
Will the Government please state:**

Question	Reply
a) the number of fish ponds constructed in the State by the Government in Erstwhile District Doda, along with the income and expenditure;	<p>Under private sector, a total of 105 fish ponds have been constructed, comprising of 44 numbers of Carp Fish Ponds and 61 numbers of Trout Units in erstwhile district Doda under various schemes.</p> <p>In Government Sector Trout Rearing Unit, Chunna&Krol (Ramban), Gatha&Bheja (Doda) and MugalMadian (Kishtwar) have been established by the Department.</p> <p>On an average a farmer earns around Rs. 1.50 lacs annually from Trout Unit and Rs. 0.50 lacs from Carp Units subject to the standard management practices. The details of various farms established in Erstwhile District Doda (Doda, Ramban, Kishtwar) along with income and expenditure details are annexed as Annexure .</p>
b) when they are going to put seed of fishes in the Fish Pond MalwaNallah of Bhagwah Block, already completed;	<p>The MalwaNallah is not feasible for stocking as the said Nallah is not perennial and the quantum of water depletes extremely during lean season.</p> <p>However, three raceways have been established using water source from DessaNallah in Private Sector under RKVY/Blue Revolution Scheme. One Trout Unit is stocked with 5625 number of fish seed, further two trout units will be stocked shortly.</p>
